4.2 Student Member

- 4.2.1 Graduate and diplomat students studying towards a certificate in Mechanical or Electrical Engineering and who are employed on a mine as Junior Engineers and/or Engineers in Training shall be eligible for Student Membership of the Association.
- 4.2.2 Student members shall be entitled to attend and take part in discussions at District and General Meetings of the Association, but shall not have any right to voting, neither shall they be eligible for membership of the Council. However a student member may be appointed to any committee or sub-committee representing the Association if so deemed by Council.
- 4.2.3 Candidates for election shall be proposed by the Resident Engineer of the Mine and shall be admitted at the discretion of the Council.
- 4.2.4 A Student member, on ceasing to be employed on a mine, shall automatically cease to be a member of the Association.

Clause 4.3 - Associate Members

- 4.3.1 Any person who is the holder of a Mechanical or Electrical Engineers' Certificate of Competency, who has no legal appointment, but who is employed by a mining group or who is employed by an organization which has a major mechanical, electrical and/or civil interest in the mining industry shall be eligible for membership of the Association.
- 4.3.2 Associate members shall be entitled to attend District and General meetings and to take part in discussion. Furthermore, the Associate member shall have the right to vote and shall be eligible for membership of the Council or any position within the Council.
- 4.3.3 Each application for transfer or election to Associate membership shall be proposed and seconded by an Ordinary member of the Association and shall be admitted at the discretion of Council.

Clause 4.4 - Ordinary Members

- 4.4.1 Any Certificated Mechanical or Electrical Engineer who holds an appointment on a mine under Regulation 2.6.1, 2.13.1 or Regulation 2.13.3.1 or 2.13.3.2 and /or appointed under Section 3.1.7.2, 7.4 of the Mines Health and Safety Act or any Certificated Mechanical or Electrical Engineer who, though not appointed in terms of the Regulations, is employed directly on a mine, or works directly related to a mine, as a member of its Engineering Department, shall be eligible for membership of the Association.
- 4.4.2 Each application for transfer or election to Ordinary membership shall be proposed and seconded by two Ordinary members of the Association and approved by the Council.

Clause 4.8 – Affiliate Member

- 4.8.1 Any person employed by a mining company or any other company which has a major mechanical, electrical or civil interest in the mining industry, but who is not the holder of a Mechanical or Electrical Engineers Certificate of Competency may apply for Affiliate membership of the Association.
